SUPPORTER AGREEMENT

The Georgia FAFSA Completion Initiative is a volunteer program designed for the benefit of the students and families it serves. To uphold the charitable nature of this event, supporting organizations, including, but not limited to, postsecondary institutions, military branches, lenders, financial planners or any organization that charges fees for FAFSA completion, testing or college recruitment services must agree that there is absolutely no promotion of programs, services or products at any of the Georgia FAFSA Completion sites or events.

All volunteers must agree to not collect, take away or use personal information provided by participants.

This boundary is crucial to the continued viability of the Georgia FAFSA Completion Initiative program, especially under recent legislative and regulatory reforms.

Please refer to the Guidelines for Participating Organizations included with this form. If you have questions, email fafsa@gsfc.org

I have read and agree to all terms and restrictions as stated on this form and in the Guidelines for Participating Organizations.

This support is from non-profit entities, businesses and individuals who support the educational and charitable mission of the program. Supporters are invited, and encouraged to contribute, subject to the following:

ii. The name and identity of the Georgia FAFSA Completion Initiative must be protected.
