

**Step 1:**

Select the **Create an Account** option at the top of the **GAfutures** homepage.

**Step 2:**

Complete the form. Information marked with a red asterisk is required.

The screenshot shows the 'Create new account?' form. The form contains the following fields and sections:

- First Name \***: Text input field with placeholder 'Enter firstname'.
- Middle Name**: Text input field with placeholder 'Middle ini'.
- Last Name \***: Text input field with placeholder 'Enter lastname'.
- Account Type \***: Dropdown menu with 'Select' as the current selection.
- School**: Dropdown menu with 'None' as the current selection.
- Email \***: Text input field with placeholder 'primary.email@example.com'.
- Confirm Email \***: Text input field with placeholder 'primary.email@example.com'.
- Alternate Email**: Text input field with placeholder 'alternate.email@example.com'.
- Confirm Alternate Email**: Text input field with placeholder 'alternate.email@example.com'.
- Username \***: Text input field with placeholder 'enter username'.
- Password \***: Text input field with placeholder 'Enter password'.
- Confirm Password \***: Text input field with placeholder 'Enter confirm password'.

Below the form, there is a note: 'If you have a username from a former web site, please check [this FAQ](#)'. At the bottom, there is a password requirement note: '(Your password should be at least 8 characters long and contain 1 number, 1 special character, 1 upper case character and 1 lower case character. Ex: Password1!)'.

**Step 3:**

After completing the *Account Creation Form*, make sure you check the box acknowledging acceptance of the *Terms of Use* and *Privacy Policy*.

Note: You are able to view the *Terms of Use* and *Privacy Policy* by selecting the appropriate links.

After everything is complete, select **Create Account**.

**Step 4:**

Congratulations, you have successfully created an account on **GAfutures**.
