

**Step 1:**

Select the **Sign In** option at the top of the GAfutures.org homepage.

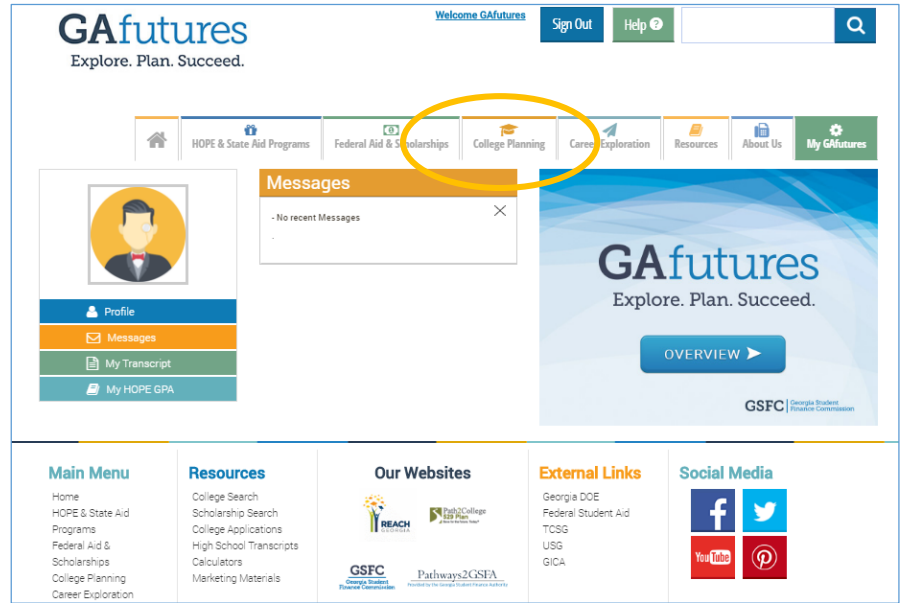

**Step 2:**

Enter your Username and Password information, then select **Sign In**.

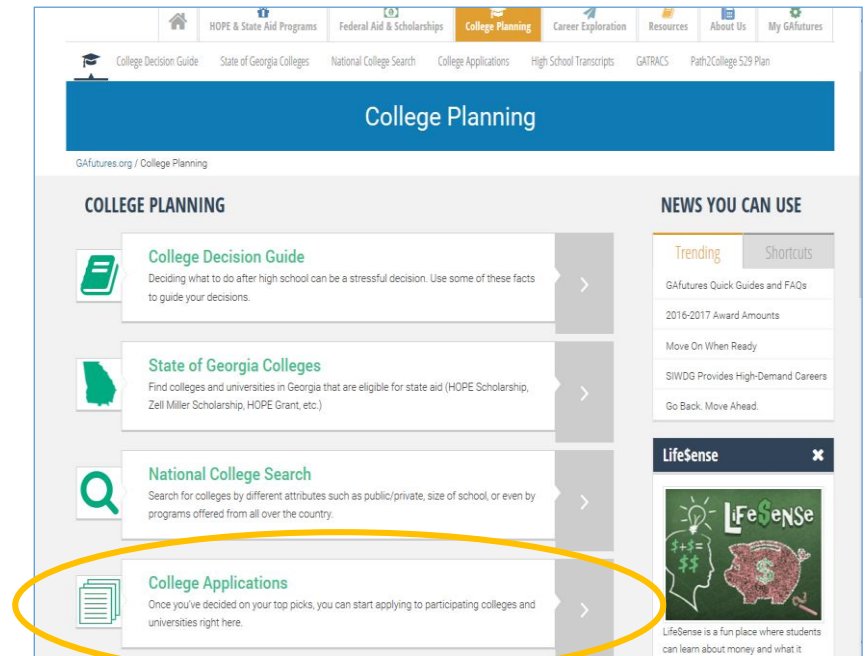

**Step 3:**

College information and applications can be found within the **College Planning** tab.

**Step 4:**

College Applications can be completed by selecting the **College Applications** option.

**Step 5:**

Once you click the College Application tab the START A NEW APPLICATION screen will appear. The start a new application screen will allow you to do the following ....

- Save and continue previously started applications.
- Apply to in State and Out-of- State schools.

Note: To locate schools outside of the state of Georgia please select the state you are interested in from the drop down.

The screenshot shows the 'College Applications' interface. At the top, there's a blue header with 'College Applications' and a 'Print This | Email This | PDF This' link. Below is a 'START A NEW APPLICATION' section with two tabs: 'ALL SCHOOLS' and 'YOUR SAVED SCHOOLS'. A search bar is present with a 'Go' button. To the right, there's an alphabetical navigation grid (A-Z) and an 'All' option. Below that, a dropdown menu is set to 'in GAfutures Statewide Schools'. The main content area displays 'Postsecondary schools with online applications' and 'GAfutures Statewide Schools: 74 schools found'. A table lists schools with columns for 'Postsecondary School', 'Undergraduate', 'Graduate', 'International', and 'Financial Aid'. Each school has an 'APPLY' button in the 'Undergraduate' column.

Postsecondary School	Undergraduate	Graduate	International	Financial Aid
Abraham Baldwin Agricultural College	APPLY			
Agnes Scott College	APPLY			
Albany State University	APPLY			
Albany Technical College	APPLY			
Andrew College	APPLY			
Armstrong State University	APPLY			
Athens Technical College	APPLY
