

Step 1:

To edit your college information on **GAfutures**, you must first access the **Postsecondary Functions** tab of My GAfutures.

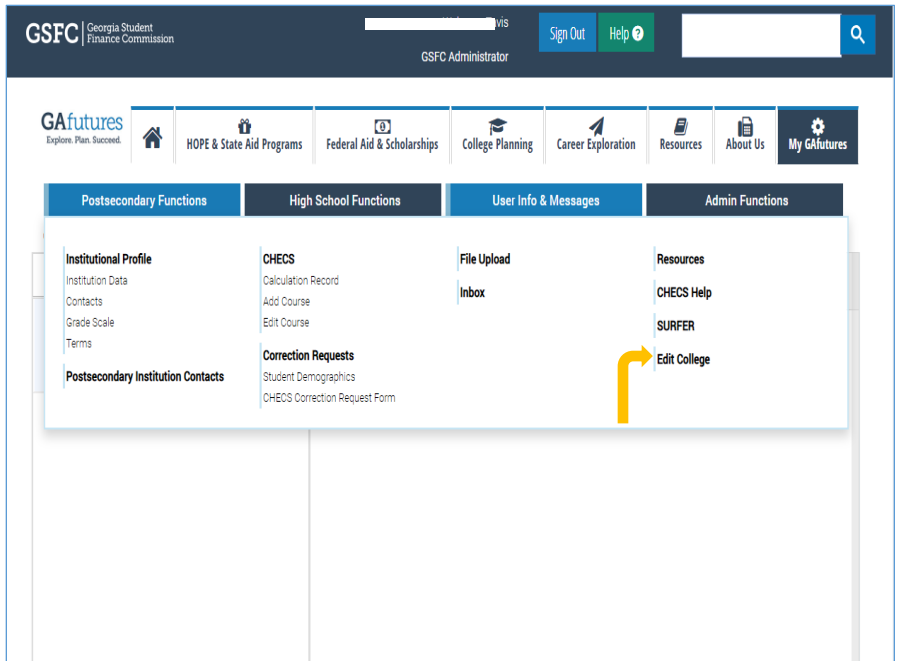

Note: If you do not see the **Postsecondary Functions** tab, you will need to contact your Institution Admin or GSFC to be granted access to the GAfutures admin area.

Step 2:

Click on **Edit College**

Note: In the **Postsecondary Functions** tab you will see sections available for use depending on your administrative privileges.

Step 3:

Using the green menu bar, you can select the area of information you would like to update. Once you have updated the appropriate area, click the save button at the bottom of the screen.

Note: If the area you would like to update is a field that cannot be edited, please send an email to...
