

Dual Enrollment funding Program Parent Participation Agreement

To be retained at the high school

The paper parent agreement should only be used if the parent/guardian cannot access and complete the electronic parent participation agreement.

The high school may provide this paper Parent/Guardian Participation Agreement for the parent to complete and sign.

The high school must retain the signed parent Participation Agreement and record receipt of the parent agreement on the student's annual Dual Enrollment funding Application in High School Functions Dual Enrollment Single View.

The Dual Enrollment Single View is utilized to process individual student applications per term of enrollment with student status information and approved courses.

Dual Enrollment funding Program

Parent Participation Agreement

To be retained at the high school

The Dual Enrollment (DE) program provides opportunities for eligible students attending an eligible participating high school in Georgia, to and take college courses at an eligible participating postsecondary institution and earn both high school and college credit.

PARENT INITIAL EACH	2025-2026 Parent Participation Agreement
	The student must meet all Dual Enrollment funding eligibility requirements which are listed on GAfutures Dual Enrollment funding Program . Requirements include but are not limited to be enrolled in a participating Georgia high school or home study program, be accepted to a participating Georgia college or university for Dual Enrollment, and meet the grade level and Funding Cap. Male students 18 years of age or older must register with the federal Selective Service .
	The student must apply for admissions and be accepted by the college (postsecondary institution) as a Dual Enrollment student.
	Dual Enrollment funding is capped at a total of 30 semester/45 quarter paid hours. The per term maximum is 15 semester or 12 quarter hours.
	The student and parent/guardian must discuss with the high school advisor Dual Enrollment expectations and responsibilities in conjunction with the student's graduation plan. The student must provide the advisor with proof of acceptance into the postsecondary institution and receive approval from the advisor before any course/schedule changes are made.
	All attempted postsecondary courses and grades become a part of the student's permanent high school and college academic history and transcript records.
	Be aware of your schedule - courses taught on the college campus follow the college calendar and courses taught on the high school campus follow the high school calendar.
	The student may incur charges for specific course-related fees, such as a lab fee, books that are considered optional or for lost or damaged books.
	The Dual Enrollment Funding Program does not allow funding to repeat or retake courses. Students that withdraw from two courses will no longer be eligible for funding.
	The student and parent/guardian acknowledge, if a student withdraws from a college course, the high school will make its best attempt to place the student in a corresponding high school or virtual course to meet course completion and graduation requirements. If no corresponding course or credit recovery opportunity is possible, the local school system shall determine how the course will be recorded: as a withdrawal or incomplete on the student's transcript. Public high school students and parents/guardians acknowledge understanding of the local school system policy regarding withdrawal from Dual Enrollment classes.
	A public high school student participating in the Accelerated Career Diploma (formerly High School Graduation Option B/SB2) must complete all state- required coursework and assessments per the GADOE assessment guidelines/requirement, whether courses are taken at the high school or through Dual Enrollment. The Accelerated Career Diploma requirements can be found here: https://apps.gadoe.org/sboe/SBOE%20Rules/160-4-2-.34.pdf and discussed with the advisor during the advisement session.
	The parent/guardian acknowledges that the U.S. Department of Education requires that all postsecondary institutions provide training on sexual assault awareness and prevention under the Violence Against Women Act. This mandatory training information will be provided by postsecondary institutions at no cost and may include Dual Enrollment students.

HOPE Grant Implications

When using HOPE Grant after Dual Enrollment funding:

I acknowledge, once I, the student, reach the 30 semester or 45 quarter paid hours Dual Enrollment program Funding Cap, I may qualify to receive HOPE Grant funding. If I receive HOPE Grant funding, the credit hours funded by HOPE Grant will count in the maximum HOPE & Zell Miller Grant Paid Hours Limit of 63 semester hours. Also, the hours paid by HOPE Grant count in the maximum HOPE & Zell Miller Scholarship & Grant Combined Paid-Hours Limit of 127 semester hours. This can affect your availability in college after high school graduation. Students must meet HOPE Grant eligibility requirements. For questions, discuss this option with your College’s Financial Aid Office.

When choosing to use HOPE Grant prior to Dual Enrollment funding based on your plan:

I acknowledge I, the student, may choose to receive HOPE Grant funding without reaching the 30 semester or 45 quarter paid hours Dual Enrollment program Funding Cap. If I receive HOPE Grant funding, the credit hours funded by HOPE Grant will count in the maximum HOPE & Zell Miller Grant Paid Hours Limit of 63 semester hours. Also, the hours paid by HOPE Grant count in the maximum HOPE & Zell Miller Scholarship & Grant Combined Paid-Hours Limit of 127 semester hours. This can affect your availability in college after high school graduation. Students must meet HOPE Grant eligibility requirements. The use of all hours depends on the student meeting all eligibility and limit requirements. For concerns or questions, discuss this option with your College’s Financial Aid Office.
