

| Approved TCCs for Accelerated Career Diploma<br>11.21.2025 |   |         |              |  |
|--|---|---------|--------------|--|
| Area   | Job Title   | SOC     | Program Code | Program Name                                   |
| Agriculture, Food, and Natural Resources                   | Food Scientists and Technologists                                   | 19-1012 | BB11         | Brewing Basics                                 |
| Agriculture, Food, and Natural Resources                   | Environmental Science and Protection Technicians, Including Health  | 19-4042 | ALT1         | Environmental Chemistry Laboratory Technician  |
| Agriculture, Food, and Natural Resources                   | Environmental Science and Protection Technicians, Including Health  | 19-4042 | WQ21         | Wastewater Quality Technician                  |
| Agriculture, Food, and Natural Resources                   | Environmental Science and Protection Technicians, Including Health  | 19-4042 | WQ31         | Water Quality Technician                       |
| Agriculture, Food, and Natural Resources                   | Environmental Science and Protection Technicians, Including Health  | 19-4042 | WQ11         | Water Quality Technician                       |
| Agriculture, Food, and Natural Resources                   | Environmental Science and Protection Technicians, Including Health  | 19-4042 | WQT1         | Water Quality Technician                       |
| Agriculture, Food, and Natural Resources                   | Veterinary Technologists and Technicians                            | 29-2056 | VT11         | Veterinary Technology Sonographer              |
| Agriculture, Food, and Natural Resources                   | Fishing and Hunting Workers   | 45-3031 | BCF1         | Basic Commercial Fisherman                     |
| Agriculture, Food, and Natural Resources                   | Forest and Conservation Workers                                     | 45-4011 | BT41         | Basic Timber Harvesting                        |
| Agriculture, Food, and Natural Resources                   | Forest and Conservation Workers                                     | 45-4011 | FTA1         | Forest Technician Assistant                    |
| Agriculture, Food, and Natural Resources                   | Forest and Conservation Workers                                     | 45-4011 | THO1         | Timber Harvesting Operations                   |
| Agriculture, Food, and Natural Resources                   | Farm Equipment Mechanics and Service Technicians                    | 49-3041 | AS51         | Agricultural Systems and Mechanics             |
| Agriculture, Food, and Natural Resources                   | Outdoor Power Equipment and Other Small Engine Mechanics            | 49-3053 | LEE1         | Lawn Equipment/Small Engine Repair             |
| Agriculture, Food, and Natural Resources                   | Food Batchmakers  | 51-3092 | CBL1         | Craft Brewery Lab Technician                   |
| Architecture and Construction                              | Construction Managers   | 11-9021 | CCK1         | Commercial Construction Estimator              |
| Architecture and Construction                              | Construction Managers   | 11-9021 | CCL1         | Commercial Construction Contract Administrator |
| Architecture and Construction                              | Construction Managers   | 11-9021 | CZ71         | Commercial Project Management                  |
| Architecture and Construction                              | Construction Managers   | 11-9021 | CM81         | Construction Manager                           |
| Architecture and Construction                              | Construction Managers   | 11-9021 | CM71         | Construction Management Apprentice             |
| Architecture and Construction                              | Cartographers and Photogrammetrists                                 | 17-1021 | PAB1         | Precision Agriculture Specialist               |
| Architecture and Construction                              | Surveyors   | 17-1022 | LST1         | Land Surveying Technician                      |
| Architecture and Construction                              | Architectural and Civil Drafters                                    | 17-3011 | EGT1         | Engineering Graphics Technician                |
| Architecture and Construction                              | Architectural and Civil Drafters                                    | 17-3011 | DA31         | Drafters Assistant                             |
| Architecture and Construction                              | Architectural and Civil Drafters                                    | 17-3011 | CP41         | CAD Operator                                   |
| Architecture and Construction                              | Architectural and Civil Drafters                                    | 17-3011 | AC51         | Advanced CAD Technician                        |
| Architecture and Construction                              | Architectural and Civil Drafters                                    | 17-3011 | AS71         | Architectural Systems Drafter                  |
| Architecture and Construction                              | Civil Engineering Technologists and Technicians                     | 17-3022 | EF11         | Engineering Technology Fundamentals            |
| Architecture and Construction                              | Civil Engineering Technologists and Technicians                     | 17-3022 | SAE1         | Stormwater and Erosion Control Technician      |
| Architecture and Construction                              | Civil Engineering Technologists and Technicians                     | 17-3022 | CA81         | Chemical Analysis Technician                   |
| Architecture and Construction                              | Civil Engineering Technologists and Technicians                     | 17-3022 | NS51         | Nuclear Science Technology                     |
| Architecture and Construction                              | Civil Engineering Technologists and Technicians                     | 17-3022 | ST21         | Science Technology                             |
| Architecture and Construction                              | Electrical and Electronic Engineering Technologists and Technicians | 17-3023 | EBT1         | Engineering Technology Basics                  |
| Architecture and Construction                              | Surveying and Mapping Technicians                                   | 17-3031 | UAS1         | Unmanned Aerial Systems Technology             |
| Architecture and Construction                              | Surveying and Mapping Technicians                                   | 17-3031 | GT41         | GIS Technology                                 |
| Architecture and Construction                              | Carpenters  | 47-2031 | AB71         | Advanced Carpentry                             |
| Architecture and Construction                              | Carpenters  | 47-2031 | CCW1         | Certified Construction Worker                  |
| Architecture and Construction                              | Carpenters  | 47-2031 | CF21         | NCCER Carpentry Fundamentals                   |
| Architecture and Construction                              | Carpenters  | 47-2031 | FI41         | Flooring Installation Technician               |
| Architecture and Construction                              | Carpenters  | 47-2031 | CCC1         | Commercial Carpenter                           |
| Architecture and Construction                              | Carpenters  | 47-2031 | FC71         | Framing Carpenter                              |
| Architecture and Construction                              | Carpenters  | 47-2031 | IC11         | Industrial Construction I                      |
| Architecture and Construction                              | Carpenters  | 47-2031 | CT31         | Carpentry Technology                           |
| Architecture and Construction                              | Carpenters  | 47-2031 | FC31         | Finish Carpenter                               |
| Architecture and Construction                              | Carpenters  | 47-2031 | HR31         | Home Renovation                                |
| Architecture and Construction                              | Carpenters  | 47-2031 | RC51         | Residential Carpenter                          |
| Architecture and Construction                              | Carpenters  | 47-2031 | SL11         | Site Layout Footings and Foundations           |
| Architecture and Construction                              | Carpenters  | 47-2031 | CC15         | Construction Career Launch Blueprint Reading   |
| Architecture and Construction                              | Carpenters  | 47-2031 | CCL5         | Construction Career Launch Safety              |
| Architecture and Construction                              | Carpenters  | 47-2031 | CD91         | Construction Career Launch                     |
