

**HOPE and Zell Miller Scholarship Programs
United States Military Service Extension Request**

Students that serve on active duty in the United States military, following high school graduation, home study completion, or GED test date, may be granted an extension to his or her expiration of eligibility limit date. The period of active duty military service will be added to the length of eligibility limit for such student.

No extensions, other than for active duty U. S. military service resulting in honorable discharge, may be considered. The student must submit the *United States Military Service Extension Request* form and documentation of active duty U. S. military service to the GSFC office at any time following completion of military service; the decision to approve or deny the request is final and cannot be appealed.

Requests for an extension may be submitted to GSFC via GAfutures Document Upload. All required documentation must be provided at the time of submission. Requests which do not include all required documentation will not be considered by GSFC.

Submit request form and DD214 as a single electronic file in one of the acceptable formats by signing in to your GAfutures account, clicking “Document Upload” and selecting “Extension for HOPE/Zell Miller - United States Military Service” from the drop-down list. (Acceptable file types: pdf, jpg, jpeg, png, bmp, tif, tiff).

The *U. S. Military Service Extension Request and documentation* will be reviewed by GSFC’s Program Administration Office and students will be emailed within 7 to 10 business days regarding GSFC’s determination.
